Mr. Truhitte is a UCLA Honors Graduate with over a decade of experience in helping students harness the power of the written word. He can help you develop any and all skills necessary to make you a powerful writer and communicator.

Create the Online Program you want!

CHOOSE FROM THE FOLLOWING PROGRAMS - OR COMBINE THEM:

Online Tutoring/Homework Assistance: *For any help needed in school/homework/compositions, this program helps with brainstorming, outlining, proofreading, critique on written drafts, literary works, vocab or grammar tests. Send assignments, drafts, ideas directly to your teacher and develop them online.*

SAT Writing (Essay and Writing sections): *This program focuses on the writing skills necessary to excel in the SAT Writing sections.*

Online Writing Course: *For students who want extra help developing their writing skills outside of their normal school work, this program is a custom tailored writing course that includes assistance with interesting essay prompts, commentaries, and engaging exercises custom tailored to the student's needs.*

Creative Writing: *this program is for students who want to take their stories/fiction to another level. It is perfect for those who enjoy writing in their lives and are thinking about publishing their stories one day, and possibly even becoming professional novelists and short story writers.*

YOU decide how to spend YOUR time!
