**Head Start on College Application & Essay Writing**

This is a 6-week series by our experienced counselors to guide high school seniors

(and prospective transfer students) through the college application process and essay writing as well as interview practice.

Each week focuses on different aspect of the application, with Do's and Don'ts, examples of successful applications, and comments on the assignments to help students create the optimal application forms and essays for their dream/target, and safety colleges.

#### Part I (06/15-06/27)

General overview of college application, EA/ED combinations

Compilation of application schedule

UC essays, activities, additional information

#### Part II (07/11-25)

Common application – activities/additional information

Common Application essay & supplementary essays

Interview/resume/portfolio
